**New Resident Packets**

I've been very busy with new resident packets **and running low on items**. Please let me know if you have anything to include, this is a great way to tell new residents about yourself. FYI-items all go into a 6x9 envelope. Call me if you have any questions or want to drop something off. I normally do them the first of the month. Thank you.

*Comments from Cathy*

Thank you to everyone who sponsored or had a booth at the Business EXPO, as well as those that attended. It was a busy evening in the area with a lot of things going on the same evening. I'd also like to thank those that helped with the planning, set-up and clean up. Bill Clark (Northmont Town Money Saver), George Doyle, Charlotte Golden (Kleptz YMCA), Dan Gress (Bubble Brush Car Wash), Bill Hutton (Dayton VA), Lisa Nussman (Mary Kay) Missy Renner (Farmers and Merchants Bank), and of course the teams from Salem Church of God and Tradeshow Services. I've had a few maintenance issues in my office and the owner is going to be replacing the carpeting, due to this I've been working from home but calls are forwarded to my cell. There are a few things I haven't been able to take care of but if you call I am available to meet at your business or meet for a cup of coffee. The Holiday Open House is our next big event, Thursday December 6th at Ray's and then the Taste of Northmont January 24th at Meadowbrook. Our Coffee Connections (first Wednesday) and TINGS (3rd Thursday) will be on their normal days as well. We are looking for hosts of the Coffee Connection, if interested call the office 937-836-2550 or email me [cathy@northmontchamber.com](mailto:cathy@northmontchamber.com) Small Business Saturday is November 24, shop local and support our local businesses. Happy Thanksgiving and don't hesitate to call me if you need anything.

On Sept. 20th, attendees heard from retired Police Detective Mark Brunns on the topic of Active Shooters. Mark discussed not only the tragedies that have happened around the country but also the impact on a business from the potential loss of life to business issues. Do you realize the time your business could be closed while investigations go on as well as Workers Comp issues? Please make sure your employees are trained in what to do should an Active Shooter come into your business.

**Direct Seller Showcase**

Direct sellers start planning, we will have our 2nd annual showcase on February 23rd, and information will be sent out later this year. If you have any questions, feel free to call the Chamber office, 937-836-2550.

**Coffee Connection**

Contact the Chamber office 937-836-2550 or Cathy@northmontchamber.com if interested in hosting.

On October 26th the Northmont Chamber and officials from the City of Clayton had a ribbon cutting at Casey's General Store. What a great addition to the community.

On Wed, October 24th, employees from North Main Animal Clinic, Clayton Officials, and the Northmont Chamber broke ground for the new location. We are looking forward to the grand opening.
