

Dear Community Business,

We would like to extend an invitation to your business to participate in our upcoming **Career Days** at Northmont's Elementary Schools. We sincerely believe in exposing our students to as many career opportunities as possible, especially if those opportunities are right here in Northmont and the surrounding area.

We invite you to participate in all of the days listed below. While our goal is to have each business participate in all four days, you are not obligated to. If you can participate in any, we would be happy to have you do so. We are holding one Career Day per quarter during the 2026-2027 school year. Each day will be held at a different one of Northmont's Elementary buildings.

## **Career Days**

**9:30 am - 3:00 pm**

**October 2, 2026 - Northwood Elementary**

6200 Noranda Dr. Clayton

**October 9, 2026 - Northmoor Elementary**

4421 Old Salem Rd. Englewood

**March 26, 2027 - Englewood Hills Elementary**

508 Durst Dr. Englewood

**May 25, 2027 - Union Elementary**

418 W. Martindale Rd. Union

**Set-up for Career Days will take place from 9:00- 9:30 am** on each of the above dates. Students will start arriving between 9:30 - 10:00 am. Each grade will spend approximately an hour during the day circulating through the booths. There are 5 grades in each building. **We ask that you stay the entire day so all students get a chance to experience your booth.**

These Career Days will be focused towards our younger students, grades 2 through 6, who are just starting to explore careers available to them. We would like the booths to be as hands-on and interactive as possible. Think outside the box and get creative to share careers within your industry. If you would like to brainstorm on how you can do this, please let me know. I am happy to help!

**Lunch will be provided to you. Please bring tables and chairs along with anything else you require for your booth. Our goal is to host each event outside at our outdoor leaning pavilions. We do not have access to electricity at the pavilions.**

If you would like to participate, please fill out the registration link emailed to you as soon as possible. My contact information is: [angela.clifford@northmontschools.net](mailto:angela.clifford@northmontschools.net) or 937-836-2550

Sincerely,

Angie Clifford - Community Engagement Coordinator - Northmont City Schools  
CEO - Northmont Area Chamber of Commerce
