

Dear Northmont Community Business:

The Northmont Area Chamber of Commerce would like to extend an invitation to the Chamber.

There are many reasons to belong to the Northmont Area Chamber of Commerce. For some, the Chamber is a business advocacy organization, for others, a small-business information source and referral service, and for many, a networking and leads sharing option, and for all, a community voice.

The Chamber offers a variety of services, products, programs and opportunities to its investors. To nurture one's business takes time, commitment, vision and the necessary tools to get the job done. Helping businesses to grow is what we are all about.

Please look over the attached list of opportunities and benefits we offer. We hope that you will consider the Chamber as an important investment for the future of your business success.

If you need additional information or would like to schedule a time to meet, please contact the Chamber office at **937-836-2550** or **angie@northmontchamber.com**. If you would like to invest in the Chamber please go to www.northmontchamber.com and click on Join The Chamber
